

GENERAL COVID-19 VISITATION GUIDELINES

We are very happy to announce the reopening of the Berlin TV Tower, its observation deck and the famous revolving restaurant Sphere. Since the health and safety of our visitors and employees is our utmost priority, we have taken measures and developed a set of rules that are mandatory for everyone visiting and working at the Berlin TV Tower.

Our visitation guidelines:

- Provision of hygiene stations
- Provision of face masks
- Comprehensive concept for the cleaning and disinfection of all facilities
- Installation of protective screens at ticket booths and reception desks
- Installation of social distance floor markers
- Time slot tickets to avoid queues
- Access only at the time indicated on the ticket
- Restricted visitor numbers in our elevators
- Restricted visitor numbers on the observation deck and in the restaurant
- Restricted length of stay (45 min. observation deck, 1.5 hrs. restaurant)
- Only visit the observation deck OR the restaurant, as indicated on your ticket!

At the entrance, please show one of the following documents:

- Negative test result, not older than 24 hours.
- Proof of completed vaccination, older than 14 days.
- Proof of recovery from Covid-19 illness, not older than 6 months.

When visiting the tower, please follow the rules on hygiene and social distancing. We ask for your understanding that you may only enter the tower wearing a mask covering mouth and nose!

We kindly ask for your understanding.....

- ... that we are asked to note down the contact details of all visitors so as to be able to trace infection chains if necessary.
- ... that we use the app "luca" to do so.
- ... that temperature checks may be carried out when entering the tower.

Please do not plan a visit if you are suffering from acute respiratory disease or are among the at-risk groups.
